## **“LAPS FOR LIFE” EVENT**

### **Saturday, October 29, 2011**

September 17, 2011

Dear Motorsports Enthusiasts:

On Saturday, October 29<sup>th</sup>, 2011 the annual “**Laps for Life**” event will be held to raise money to benefit the bone marrow transplant and oncology unit of Diamond Children’s Medical Center. This center is the only one of its kind in Southern Arizona dedicated to providing extraordinary health care exclusively to pediatric patients.

The “**Laps for Life**” event is an 8 hour endurance race; however, there MUST BE A DRIVER CHANGE at least ONCE PER HOUR. Southern Arizona Kart Club, Inc. / Musselman Honda Circuit would like to invite you and/or your Company to participate in the 5<sup>th</sup> annual “**Laps for Life**” 8 hour Endurance Race. You would need to assemble a Team to participate and name your own “Team Captain” who is responsible for preparing the driver schedule for their team throughout the 8 hour event. It will be the Captain’s responsibility to schedule the driver changes, pit stops for fuel, etc. Track personnel will be in charge of pit control and fueling.

This fund raiser is for Diamond Children’s Medical Center. Each team will consist of no more than 12 drivers/pit crew maximum; the team can determine a mix of drivers and support crew. Each team member will contribute \$100.00 to the cause.

- 12 person teams (maximum)
- \$100 donation per member (minimum)
- Must change drivers at least ONCE per hour

Come and join in the fun for raising money for such a great cause. Please help us continue to provide support to the children and families at Diamond Children’s Medical Center as the hospital is an enormous asset to Southern Arizona. Please call me to let me know if you are interested in sponsoring a kart, putting a team together, or just making a donation to the cause.

Thank you,

Charles Quiroz  
SAKC/MHC
