

**LAPS FOR LIFE  
FOR DIAMOND CHILDREN'S MEDICAL CENTER**

On Saturday, October 29, I will be participating in the 5th annual "**LAPS FOR LIFE**" - this year to benefit the bone marrow transplant and oncology unit of **Diamond Children's Medical Center**. Completed just last year, **Diamond Children's Medical Center** is the first and only medical complex of its kind in Southern Arizona dedicated to providing extraordinary health care exclusively to pediatric patients.

**Laps for Life** 2011 will be held at the Musselman Honda Grand-Prix-style track south of Tucson and will involve Formula-One type karts. I will be a team driver driving one of the karts sponsored by a generous individual or business here in Tucson. All of the karts will be competing in an 8- hour race. As a driver of one of the karts, I am committed to raising funds to support **Diamond Children's** and the kids it helps.

I hope that you will join me in raising funds for **Diamond Children's**, which is an enormous asset to Southern Arizona. Please consider sponsoring me by donating an amount for my participation in the entire 8 hour effort. All contributions to **Laps for Life** are tax-deductible. Please help me to help the children in our community by contributing to my team's effort. If you are interested in learning more about **Diamond Children's Medical Center** and **Laps for Life**, you can go to the website [www.diamondchildrens.org](http://www.diamondchildrens.org).

Thank you very much.
