

KARTING CAMP I

Grades 7 - 12

Students will explore the dynamics of racing vehicles, gain hands-on experience and be instructed on kart safety, basic line theory, and the human experience. By the end of the week, students will understand basic karting techniques, sharpen their decision-making skills, master basic motor vehicle mechanics, and gain new confidence. Required safety gear includes full pants, long-sleeve shirt, and closed-toe shoes. All else will be provided, including helmet, neck brace, and gloves. This camp is offered in conjunction with Southern Arizona Kart Club, Inc. Daily transportation from the UA to the Musselman Honda Circuit track (11800 S. Harrison Road) is included in the cost of the camp.
